

## A Giving Day to help the homeless in Orange County

Families Forward is excited to be participating in **Help Them Home**, a Collaborative Giving Day. On April 28, 2021, 20 organizations are coming together to raise \$1,000,000 to help prevent and end homelessness in Orange County.

We invite you to participate in **Help Them Home**, and help us reach our goal of \$100,000 to help local families in need achieve housing stability and economic self-sufficiency.

We need your help - you can help us reach even more people by creating awareness in your sphere of influence/networks!

### Follow these easy steps to become a Help Them Home Ambassador!

Sign on to be a "Fundraiser" and we will give you a link you can customize so that you can share your passion to Help Them Home.
